For Successful Trading

ABSTRACT

How to register for a PaxForex Trading Account

1. Account Registration

You can complete the registration form by filling in your personal details manually or selecting one of the social networks - Facebook or Google+.

The image shows the PaxForex registration form. At the top, the PaxForex logo is displayed. Below it, there are four circular icons representing steps 1, 2, 3, and 4. Step 1 is highlighted with a red circle and a person icon. Below the icons, the text "ENTER YOUR PERSONAL DETAILS" is centered. The form itself is a light gray box with a dark gray border. It starts with "Fill in a form via" followed by Facebook and Google+ icons. Below this are several input fields: "First name", "Last name", "E-mail", a country dropdown menu (currently showing "Sweden"), a phone number field (with a flag icon and "+46"), "City", and "Address". At the bottom of the form, there is a checkbox labeled "I agree to the Terms of Service and Privacy Policy" and a red "Next step" button.

Registering via Google+

Login with your Google Account details. By connecting PaxForex and Google+, your personal information will be automatically retrieved and filled in on the PaxForex registration form.

Enter your **Google email** and **password** and click to sign in.

3. Confirm Phone Number

The next step is **to confirm your phone number** (the one you entered during registration).

You can also change the number during this step.

Make sure your phone number is correct since PaxForex will send you an SMS with **an activation code** that you will enter to confirm your details.

You will not be able to proceed with your registration if you do not provide a correct code.

If you are experiencing any issues, click to chat with the PaxForex team who will help you.

Once you enter your SMS code and click to **Confirm**, the system will notify you that your phone number has been successfully verified.

The next step is to check your email. PaxForex will be sending you an email to complete your registration by **validating your email address**.

Click on the link to validate your email address.

4.PaxForex Cabinet

Upon validating your email address, you will be taken to the PaxForex cabinet.

You will see a notification that your **Account Status** is not verified.

In order to verify your account and start Trading you need to upload a **proof of ID** and **proof of residence**.

The screenshot shows the PaxForex cabinet interface. At the top, a dark blue header contains the PaxForex logo and a notification: "Account status: not verified" with a dropdown arrow. Below the notification, a white box lists two items: "ID/Passport" and "Proof of residence", both with yellow warning icons. The main content area is titled "REGISTRATION DATA" and contains two sections. The first section, "Login to MyPaxForex cabinet", includes a computer icon with a globe, login details (Login: dora@fhasamarketing.com, Password: 99BB4A89), and a "Deposit funds" button. The second section, "Login to Metatrader 4 account", includes a computer icon with a chart, login details (Login: 170809, Password: 1Z@gLo&, Server: Live Server), and a "Download MT4" button. Below these sections, there is a link to "PLEASE READ FOLLOWING ARTICLES THAT WILL HELP YOU TO USE METATRADER 4 AND 'MYPAXFOREX' PERSONAL CABINET:" followed by two links: "How to Login to Metatrader 4 terminal Guide." and "How to Login to 'myPaxForex' personal cabinet."
